

# Project Quotation for E-commerce Website

Prepared by: Tech Solutions Pvt. Ltd.

Date: May 30, 2025

## Client Details

**Client Name:** [Your Client's Name]

**Address:** [Your Client's Address]

**Contact:** [Your Client's Contact Information]

## Project Overview

We are pleased to submit this quotation for the development of a fully functional e-commerce website tailored to your business needs. The project includes a robust backend, secure database, responsive frontend, and post-launch maintenance services.

## Scope of Work

### Backend Technologies

- **CodeIgniter 4:** A lightweight and powerful PHP framework for building a scalable backend.
- **JWT Authentication:** Secure user authentication using JSON Web Tokens.
- **AES Encryption:** Advanced Encryption Standard to ensure data security.
- **GitHub Repositories:** Version control and collaborative development using GitHub.

### Database

- **MySQL:** A reliable and efficient relational database management system for storing and managing website data.

### Frontend Technologies

- **HTML, CSS, JavaScript:** Core technologies for creating a dynamic and interactive user interface.
- **Bootstrap:** For responsive and mobile-first design.
- **AngularJS:** A JavaScript framework for building a robust and maintainable frontend.

## Maintenance

- **Duration:** 200 days of post-launch support to resolve any issues that arise.
- **Additional Modules/Changes:** Any new module development or significant changes will incur additional costs, determined based on the complexity of the module.

## Project Timeline

- **Minimum Duration:** 75 days
- **Maximum Duration:** 100 days

## Payment Terms

- **Total Project Cost:** INR 2,50,000 (Two Lakhs Fifty Thousand Indian Rupees)
- **Advance Payment:** 40% of the total cost (INR 1,00,000) payable upon project initiation.
- **Remaining Payment:** Balance amount (INR 1,50,000) to be paid upon project completion and before final delivery.
- **Additional Costs:** Any new modules or significant changes will be quoted separately based on requirements.

## Terms and Conditions

1. The project timeline is an estimate and may vary based on client feedback and requirements.
2. The advance payment is non-refundable once development begins.
3. Maintenance support covers bug fixes and minor updates within the 200-day period.
4. Any additional features or modules outside the agreed scope will require a separate quotation.
5. All deliverables will be hosted on a GitHub repository for version control and transparency.

## Contact Information
